

| Pos. | Artikelbeschreibung                      | Description of item                       | Artikel Nr./Item No.   |
|------|------------------------------------------|-------------------------------------------|------------------------|
| 1    | Fühler z. Garraum                        | Sensor f. inner chamber                   | 06000093               |
| 2    | Sicherheitsthermostat                    | Safety thermostat 350°C                   | 018341                 |
| 3    | Motor f. Ventil                          | Motor f. valve                            | 06031013               |
| 4    | Dichtung 1,99m f. Tür, schwarz           | Gasket 1,99m f. door, black               | 070701005              |
| 5    | Verschluss                               | Lock                                      | 05900124               |
| 6    | Stift z. Tür                             | Pin f. door                               | 022023277              |
| 7    | Bolzen                                   | Pin                                       | 02022579               |
| 8    | Mirkoschalter f. Tür                     | Microswitch f. door                       | 06043080               |
| 9    | Fuß                                      | Base                                      | 05900030               |
| 10   | Lampe 220V, 25W, Halogen                 | Lamp 220V, 25W, halogen                   | 06061056               |
| 11   | Dichtung f. Lampenfassung                | Gasket f. lamp holder                     | 06063074               |
| 12   | Lüfterrad, Flügel 200 x 61               | Fan wheel, blade 200 x 61                 | 05901113               |
| 13   | Heizkörper 230V, 6600W                   | Heating element 230V, 6600W               | 06002173               |
| 14   | Dichtung f. Kurbelwelle                  | Gasket f. crank shaft                     | 06090157               |
| 15   | Motor 1ph                                | Motor 1ph                                 | 06033153               |
| 16   | Magnetventil                             | Magentic valve                            | 06042103               |
| 17   | Düse                                     | Nozzle                                    | 06042091               |
| 18   | Lüftermotor                              | Fan motor                                 | 021009                 |
| 30sx | Tür, komplett m. Glas (links)            | Door, complete w. glass (left)            | 02023338N              |
| 30dx | Tür, komplett m. Glas (rechts, optional) | Door, complete w. glass (right, optional) | Auf Anfrage/On request |
| 31   | Glasscheibe, Siebdurck (montiert)        | Glass, screen-printed (assembeld)         | 02022817               |
| 32   | Türgriff                                 | Door handle                               | 02022822               |
| 33   | Kappe z. Mikroschalter                   | Cap f. microswitch                        | 02022746               |
| 34   | Stoßdämpfer                              | Buffer                                    | 02021521               |
| 35   | Kappe z. Becken                          | Cap f. basin                              | 02012707               |
| 36   | Luftfilter                               | Air filter                                | 02022902               |
| 37   | Knebel                                   | Knob                                      | 02022943               |
| 38   | Anschluss z. Kerntemperaturfühler        | Connection f. central temp.sensor         | 06000113               |
| 39   | Anschluss USB 2.0                        | Connector USB 2.0                         | 06060030               |
| 40   | Potentiometer                            | Potentiometer                             | 06010185               |
| 41   | Bedienpanel                              | Control panel                             | 02023342B              |
| 42   | Schütz 3P+1N, 9 A, BF0910A230            | Contactore 3P+1N, 9 A, BF0910A230         | 06046033               |
| 43   | Kondensator 6,3µF                        | Condenser 6,3µF                           | 06090016               |
| 44   | Summer                                   | Summer                                    | 06010182               |
| 45   | Hauptplatine                             | Mainboard                                 | 06010166               |
| 46   | Schnittstelle USB                        | Logger USB                                | 06010169               |
| 47   | Sicherung 6A                             | Fuse 6A                                   | 06060114               |

**Kombidämpfer Kompakt D 10110**  
Artikel-Nr.: 117201

Ersatzteilliste
