

Built-In Flush Mount Simulated Stone Heated Shelves

Models: HSBF-SS-2418, -3018, -3618, -4818

Give your operation a seamless look with the Built-In Flush Mount Simulated Stone Heated Shelf. The bracket mounting hardware gives a true flush mount appearance that will safely hold food hot while blending with your decor. It is a must for buffet lines in cafeterias, restaurants and more!

Standard features

- Model is bottom mount, flush with the countertop
- Adjustable thermostatically-controlled heated base
- Blanket-type foil element creates uniform heat across the entire simulated stone surface
- Recommended for use in metallic counters. For other surfaces, verify that the material is suitable for temperature up to 200°F (93°C)♦
- Insulation keeps heat at the holding surface while a built-in adjustable thermostat controls surface temperature.
- Available in widths of 24", 30", 36", 48" (610, 762, 914, 1219 mm) and a depth of 18" (457 mm)
- 3' (914 mm) Conduit is Standard – with ITC Control Boxes only, 6' and 10' (1829, 3048 mm) lengths are available
- Standard control includes thermostat, lighted rocker switch and mounting brackets
- Models with simulated stone finishes are Swanstone® or Dekton®

♦ Hatco is not responsible for counter damage caused by heat from the warmer
